

### Undertaking by Student

I Aditya Partap Branch CSE Roll No. 123102159 willing to participate in the campus placement drive of Zscaler company and agree to the following:-

1. I will have my placement kit ready with me before starting of the placement drive (5 copies of my resume, 20 passport size photos in formal dress).
2. I will report to the venue at least 15 minutes prior to scheduled time provided via email.
3. I will enter my correct CGPA to four decimal places, without rounding off.
4. I will not fill any incorrect details during a placement drive, otherwise I will be disqualified from the drive and strict action can be taken by Training and Placement Cell.
5. I will wear formal attire during the whole placement drive whether held in online or offline mode (pre-placement talk, test, interviews etc.).
6. I will not engage in discussions with recruiters regarding the selection process or the selection results.
7. If I will encounter any inappropriate behavior from a recruiter, I will immediately report it to the Training and Placement cell and won't act on my own.
8. I will ensure my behavior should align with professional standards and the code of conduct set by the Training and Placement Cell.
9. I will ensure the use of appropriate language and actions for a professional setting, especially in the presence of peers, subordinates, and supervisors.
10. I will ensure my behavior should not negatively impact the selection chances of other students.
11. I will ensure that my actions do not harm the reputation of my Institute or the company under any circumstances.

I, hereby declare that the information and choices I have provided in the registration form for the recruitment drive are true, accurate, and complete to the best of my knowledge. I acknowledge that any misinformation or false declarations may result in disqualification from the recruitment process and could affect my eligibility for further participation and the T&P Cell can take necessary action against me.
